

Annual Donor Report

Gifts to Membership, Research and Education

Gifts received January 1, 2009 through December 31, 2009

The 2009 Fundraising Challenge for FSHD reaches its goal!

FROM THE CHAIRMAN,
BOARD OF DIRECTORS, FSH SOCIETY

Dear Friends,

In November, the Board of Directors and other major donors joined together to offer a challenge to the Society's members and friends to support promising new work. We asked you

to make gifts to the 2009 Fundraising Challenge for FSHD, the most prevalent form of muscular dystrophy, and we agreed to match your gifts up to a total of \$131,000, on a dollar-for-dollar basis, if you sent them by December 31, 2009.

I am delighted to report that 503 individuals, foundations and businesses in the FSHD community contributed \$160,540 to our Challenge. Together, we have all contributed \$291,540 at year's end.

Notwithstanding the extraordinary economic environment in which we find ourselves, the FSH Society has concluded the second most successful fundraising year ever, raising \$767,208 from generous friends like you. Thank you for supporting advances in research, education, outreach and advocacy.

The list that follows includes donors to the FSH Society in 2009. We hope you will continue to support this work by joining the Society again in 2010. Thank you and all good wishes to you and your families for the New Year.

Sincerely,

William R. Lewis, Sr., M.D.
